

## Customer Limited Warranty Agreement

By this Limited Warranty, Champion Motorsport ("Champion") proudly warrants its dealer-installed performance parts from defects in material and workmanship subject to the following terms and conditions.

**DURATION:** The duration of this Limited Warranty shall be equal to the duration of the automobile manufacturer's warranty of the automobile on which the parts are installed ("Factory Warranty"), but not less than one year or 12,000 miles and not more than four years or 50,000 miles.

**OEM PARTS:** This Limited Warranty provides coverage for original equipment manufacturer ("OEM") parts that are damaged as a result of defects in the material and workmanship of a Champion Motorsport part or parts to the extent the Champion Motorsport part is covered under this Limited Warranty (duration, exclusions, limitations and disclaimers included). This Limited Warranty does not take the place of the Factory Warranty. Installation of Champion Motorsport performance parts may affect your rights under the Factory Warranty. Purchasers are required to contact their automobile manufacturer to learn all material information prior to purchasing Champion Motorsport parts.

**PERFORMANCE: Only select Factory Dealerships are trained to service Champion Motorsport equipped vehicles.** To obtain service in the event of a defect covered by this Limited Warranty, purchasers are to notify the nearest Champion Motorsport dealer or Champion Motorsport, at the address below, as soon as possible and use all reasonable means to protect the automobile and Champion Motorsport parts from further damage. Upon proof of purchase, Champion Motorsport or its designated service representative will correct the defect subject to the terms and conditions contained in this Limited Warranty. If Champion Motorsport determines that repair of the covered defect is not feasible, it reserves the right to instead provide a replacement part equal in value to the original purchase price of the defective part. The replacement part warranty will be equal to the balance, if any, remaining on the original part.

**INDEMNIFICATIONS:** Customer agrees to indemnify, hold harmless Champion Motorsport, the Champion Motorsport authorized dealership, and Porsche, North America against any and all claims, actions, and damages including injuries to persons and/or death or disease arising or alleged to arise, in whole or in part due to the performance enhancement of the vehicle.

**EXCLUSIONS:** Champion Motorsport warrants only new cars that have not been previously sold to a customer or used vehicles currently covered by the Factory Warranty that have been sold and maintained by a participating dealership and have been reviewed and pre-approved in writing by Champion Motorsport. Champion Motorsport only warrants parts sold in, and installed on, automobiles built to United States and Canada specifications. Coverage extends to the original purchaser and shall only be transferable to the extent that the Factory Warranty is transferable. "Defects in material and workmanship" shall not include the effects of normal wear and tear of a part installed on a performance-enhanced automobile. Parts installed in commercial applications are excluded from any coverage whatsoever. This Limited Warranty is void if Champion Motorsport or its designated representative determines that the Champion Motorsport part has been subjected to alteration, neglect, misuse or abuse; if any repairs have been attempted by anyone other than Champion Motorsport or its designated representative; or if failure is caused by accident, acts of God or other causes beyond the control of Champion Motorsport. Neglect, misuse and abuse include any installation, operation or maintenance of the automobile or part not in conformity with the instructions contained in the documentation provided with the automobile and part or otherwise available from automobile manufacturer or Champion Motorsport. This Limited Warranty is further void if there are any items attached to, or installed on, the part after the date of dealer-installation, or if access to the part is not reasonably accessible for purposes of performing repairs.

LIMITATIONS: While this Limited Warranty does not take the place of the Factory Warranty, it does take the place of all other warranties, express or implied, in fact or at law, including implied warranties of merchantability and fitness for a particular purpose. No agent, dealer, distributor, service company or other party is authorized to change, modify or extend the terms of this Limited Warranty in any manner whatsoever.

DISCLAIMERS: Champion Motorsport and its representatives shall not be liable for any injury, loss, cost or other damage, whether incidental or consequential, arising out of any defect covered by this Limited Warranty, including, without limitation, towing charges, rental car fees, loss of use of the automobile while it is being repaired, or damages resulting from the enhanced performance of the automobile, even if Champion Motorsport has been advised of the possibility of such damage. The liability for materials and workmanship of Champion Motorsport under this Limited Warranty, if any, shall not exceed the sum of the original amount paid for the defective product and the MSRP of all OEM parts for which the product directly affects. Coverage under this Limited Warranty shall commence in concurrence with the factory warranty and the duration of such coverage shall not extend for any reason whatsoever beyond the stated time periods. These disclaimers shall be equally applicable to any service provided by Champion Motorsport or its designated representatives.

LEGAL RIGHTS: This Limited Warranty gives purchasers of Champion Motorsport parts specific legal rights. Purchasers/consumers may have other rights which vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so this limitation may not apply.
